Title - **DIGITAL EARTH SYMPOSIUM: AESTHETIC WARFARE**

- The Digital Earth Symposium was held between 1st May and 3rd May 2019.
- The programme was organized by Digital Earth and Khoj.
- The aim of the symposium was to question the power of visuals and to explore new ways of online activism.
- The symposium was held in two parts.
- During the day a group creation workshop was held and in the evening sessions like lectures, talks and performances took place.
