

Title - **PERIPHERIES AND CROSSOVERS: ART AS SOCIAL PRACTICE 2021**

- Peripheries and Crossovers: Art as Social Practice is a socially engaged art project held in multiple cities.
- The aim of the project is to present the role of art as a medium of change.
- For the year 2021 Khoj announced three projects as part of the project Peripheries and Crossovers.
- The three projects look at different sets of issues from different cities.
